

1. Search or browse for the public body you are interested in.
2. Open any of the public notices for that public body.
3. Click on the public body's name (in red and underlined) on the public notice details.
4. On the public body details screen, click on one of the subscription options available (RSS feed or email) to subscribe. To find out more information on how the subscription options work, click on "How do I use these options?"
